Dear Parents and Carers,

Our recent survey revealed that parents would like a wider variety of non-sporting after school clubs. This is something we have had in the past, but our greatest barrier has been where to host them when the weather is bad. Our clubs are organised months in advance and this is something we can look into for the Autumn Term.

YEAR 5 KILVE TRIP

On Wednesday last week, our class travelled to Kilve Court for an exhilarating, exciting and exhausting camp. The girls' dorms were on the top floor and the boys' dorms were on the 2nd floor. After a lunch of hot dogs and potato faces, we went out on the lawn for our first activity, team building. We had to complete the 'Towers of Hanoi', the 'Skis' and the 'Spiders Web'. On this last activity we were not allowed to touch the rope of the web and we couldn't go through the same hole in the web twice! In the evening we completed the night walk which was 2 to 3 miles in length. From where we were, we could see the lights of Wales across the bay which was extremely pretty. For our meals we had a lovely choice. For breakfast we could have toast, cereal, a hot meal or all three! Most of the teachers had a full English breakfast and a coffee. On Thursday night, we played 'Wide Games'. These included: 'Cheerleader', 'Evolution' and 'Giant Rock, Paper, Scissors'. On Friday morning it was raining but we carried on with our activities of climbing and archery. In the end I managed to get a gold (the very centre of the target). At the end of the session the scores were added up and the other team had 275 points to our 210 points. We lost but it didn't matter. Once we had finished we had a final lunch and then brought all of our suitcases down stairs and loaded them onto the bus. After that we strapped ourselves into the bus and headed back to school where we had a lovely reunion with our family and slept for the rest of the day!

TRIP TO TAUNTON MUSEUM

On Friday 22nd of April classes 3 and 4 went on a marvellously exciting school trip to Taunton Museum to learn about the Romans. It was really interesting and we learnt a lot about the Romans thanks to a lady called Lizzie who was teaching us, including what the Romans ate and what clothes they wore. We explored the museum and had loads of fun and learnt lots of facts to bring back to our classes. We really enjoyed our trip and wished we could go again!

Core Offer

PHYSICAL EDUCATION

Through participating in PE children learn the fundamental movement skills which will enable them to become physically competent and confident. Children will start to build a platform for essential skills like team work, respect and determination to aid future participation, both in competitive sporting events and life beyond the classroom. They develop a better understanding of healthy diet and lifestyle which enables them to make good choices and understand what constitutes a healthy lifestyle.

KWIK CRICKET PLAYED 3 & WON 3!

On Tuesday 26th April, a squad of 9 players from Class 5 and Class 6 (Tom, Fin, Josh, Seb, Will, Ed, Sam, Ronnie and our captain Brendan) went to a Kwik Cricket tournament at Taunton Vale. The weather was a mixture of sun, rain, hail, thunder and lightning but this did not put us off! We won all our games, hammering Lyngford Park and Cheddon Fitz-

paine, but we only beat Trull by eleven runs (they had some excellent bowlers). It was a great afternoon of sport and we can't wait until the next tournament! Thank you to Mr Coupe and Mrs McDonagh for organising this amazing afternoon and the parents for their support.

X-COUNTRY

On Monday a group of children from Years 4, 5 and 6 went to a Cross Country Relay event at King's College in Taunton. All the Milverton teams did really well coming in from 1st to 15th competing against hundreds! The competitors were split into two groups and our team with Will, Marlon and Ed came first in their group! All of us had a great time and had a lot of fun and did amazingly well! Thank you to Miss Pointing for organising this event.
