Friday Flyer

30th June 2017—Issue No. 33

Dear Parents and Carers,

This certainly is a busy half term for the school as a whole. Firstly, thank you to everyone for their support at last weekend's successful summer fete. The MSA and church worked together to provide us with a wonderful afternoon. Next, a big thank you goes to the children who performed brilliantly today in the whole school performance—they really did themselves proud.

As we approach the end of term here are just a few reminders:

- **All children must be supervised on the adventure playground** at the end of the school day. They are **not allowed** to play anywhere else in the school grounds. It is lovely to see the children and parents socialising after school, however we don't want to stop this due to people not following the school's wishes.
- Please be mindful that there are a lot of trips at this time of year and **the turning circle needs to be kept clear at all times** to allow coach access.
- If your child is unable to be at school for registration at 9am you must contact school by 9.15am to notify us with the reason for the absence. Thank you for your on-going support.

To finish off this term's Quest with a fantastic finale, Years R to 5 excelled themselves today in their two shows of 'What a Performance!'. Each class presented a medley of songs and performances based on their learning this term. Class 3 and 4 took us back to Ancient Greece and Class 2 showed us many different types of performance from gymnastics to singing. We went to Antarctica with Class R's penguin dance, and took a tour of the British Isles with traditional songs and dances from Class 1. Class 5 did their own take on some popular songs with the help of a mini Mr Penny and Miss Gauntlett! Well done to all the children for their lively performances and thank you to all the parents who attended.

OUTSTANDING LEARNERS OF THE WEEK

- CLASS R** All of Class R for their amazing performance about penguins.
- CLASS 1** All of Class 1 for working so hard for our performance. **Michael** and **Mathilda** for their keenness to answer questions in every lesson.
- CLASS 2** **Jess** for her wonderful story writing. Well done Jess for working so hard on your rags to riches story
- CLASS 3** All of Class 3 for two magnificent performances!
- CLASS 4** **William** for the effort and support he has given in class this week.
- CLASS 5** All of Class 5 for their fantastic dedication and hard work in creating a wonderful section of the school play.
- CLASS 6** **Delphi** and **Jemima** for writing and reading such lovely stories to the reception children.

Class 4 Orienteering trip to Norton Manor

Last Wednesday Class 4 enjoyed a soggy day at Norton Manor. When we arrived we saw really big army trucks! There were lots of other schools there too, like Blackbrook and Staplegrove. We really enjoyed all the activities including going into the woods! We were partnered with a buddy and we were given a dibber, we had to go through the woods and find scanners with numbers and we had to dib them in order. We also found a golden bullet! We had lunch in the rain, and while we waited for the coach we played Zip! Zap! Boing! Overall, it was amazing trip and we enjoyed it a lot!

On Thursday 29th June Class 5 went to Norton Manor camp for an Outdoor Education Festival. Thankfully the skies were kind to us and we stayed dry in order to take part in a series of fun activities designed to build our teamwork and communication skills. Firstly, we had to build a course out of bamboo shoots and piping to get a ball from one end to the other without it touching the floor. Next we were off round the camp and into the woods for some team orienteering. After lunch we took part in a team rowing activity and finished the day with Capture the Flag. The day was brilliant and we all developed some vital skills that we will use next year in various leadership roles.

Miss Gauntlett

Last week, Classes 1 and 3 participated in a local exhibition, held at the Museum of Somerset. The 'Take One Object' initiative allows schools to respond to an object, in this case a Civil War coin hoard that can be viewed at the museum. The children took part in a range of drama activities, formulating questions about treasure, considering who might bury it and for what reasons. In response to this, the children carried out some classwork linked to our own curriculum learning: Class 1 wrote finding tales and printed some coins whereas Class 3 investigated symbols and inscriptions on coins before designing and embroidering their own ancient Greek coin to make a wall hanging. The work from both our school and others looked amazing; thank you to the parents who went along to support our children.
