Friday Flyer

21st July 2017—Issue No. 36

Dear Parents and Carers,

As the year comes to an end we can look back with pride over some wonderful days filled with fun and learning. Our SATs results for the Year 6 class were among the best in Somerset! Thank you all for your continued support during a wonderful year. Let the holidays begin!

Mr R Stead

We hope you all enjoyed Sports Day earlier this week. Everyone had heaps of fun throughout the morning which was packed full with a huge variety of sporting activities, but in every competition there has to be a winner. As Mrs McDonagh announced the scores, it was very tense, and extremely close, but it ended up as: Horse Chestnut in 4th place, London Plane in 3rd place, Cork Oak in 2nd place and the winners were Blue Cedar. Thank you to Mrs McDonagh for organising the event and to everyone that helped.

Well done to all of you who took to the stage this week to show your talents to the school in this year's Talent Show. It is obvious that Milverton School's got talent! There was a wide range of performances from singing, gym displays to comedy sketches. The pupils were certainly well entertained!

Class 1 Show and Taste!

On 4th July, Class 1 mums and dads came in to school to see our work. They also ate scones that we made. It was fun!" said Isabel and Imogen. Redvers and Adri said "Class 1 baked some scones. It was great fun! We were exhausted by the end of it. The scones were delicious!" Your kind donations raised £107.72! Thank you. This money will be used to develop the quiet areas on the playgrounds. Thank you also to Mrs Cutler, who worked with the children to cook the scones.

Mrs Calnon

The children were also entertained this week by a lively and engaging performance of 'Oliver Twist'. The actors gave energetic and absorbing portrayals of well known characters like Oliver, the Artful Dodger, Nancy and Fagan. Ollie and Sophia were even invited in to Fagan's den!

Our lunchtime school gardening club has been busy this term, with children from every year group tending the raised beds, watering the crops and beginning to harvest our home grown produce. So far, we have grown onions, potatoes, wildflowers, strawberries, runner beans, carrots, peas, sweet peas, chives and tomatoes! Some have been more successful than others but we have learnt so much along the way and are already putting together ideas for our next academic year. We have achieved our level 1 RHS school gardening award and have just applied for our level 2 award. Fingers crossed we will have a nice surprise waiting for us in the post when we return in September! Thank you to all the school gardening team this term, you have been true superstars! *Mrs K Smith*

Class R invited all their parents to a special Teddy Bear's Picnic to celebrate the end of their first year in school. It was a lovely occasion and the parents even had a chance to do the famous penguin dance!

The MSA would like to wish you all a well deserved summer break and thank you for all the support given this year through all the events. Thanks to you, the MSA raised £4,300!! This has helped pay for musical instruments (e.g. steel drums...), new laptops, funding towards material for the themed quests ...and the children had lots of fun. Have a fantastic holiday and see you next year.

Special Thanks

On behalf of the MSA, staff and the whole school we would like to say a MASSIVE thank you to David Raybould (and family) for his huge contribution over the years: Santa's grotto, Christmas cards, the water slide, the rock shop, pan for gold, and loads of other great and fun ideas. He has also been MSA secretary for 9 years and the committee will miss him and his good sense of humour greatly.

Thanks David!
