

School quest: What a Performance!
 Year 6
 Summer 2017

 <p>This year the children in class 6 are performing 'Alice in Wonderland'.</p>				<p>Science We will be investigating the way nutrients travel around the human body. We will be learning about the impact diet, drugs and lifestyle have on the way our bodies function. We will also be learning about how our bodies change as we grow older.</p>
				<p>Literacy We will write newspaper articles about fairy tales. We will also write short stories in the style of Rudyard Kipling's Just So stories.</p>
				<p>Maths We will continue the maths curriculum and we will complete some project work around tessellations and ratios found in nature.</p>
<p>DRIVERS: Personal Learning and Thinking skills</p> <p>We will develop our independent enquiry skills across the curriculum focussing specifically on exploring issues, events or problems from different perspectives. We will also look to analyse and evaluate information, judging its relevance and value.</p>	<p>The arts</p> <p>We will study Franz Marc and create pictures of animals which contrast hot and cold colours. We will spend time creating props for our end of year play. We will learn a variety of songs for our summer play. We will also have an opportunity to design a picture to go on the programme for the play.</p>	<p>Learning outside the classroom</p> <p>We will be spending time out of class making props and backdrops. We will also take part in singing workshops out of the classroom.</p> <p>Valuing cultural diversity</p> <p>We will spend time thinking about children around the world who don't have enough food or clean drinking water.</p>	<p>TASC week</p> <p>We will spend the week studying the question 'Is there a design in nature?'</p>	
				<p>Quest entry</p> <p>'The lion, the witch and the wardrobe' performance at Queen's college, and 'The Railway Children' performance at Northcott Theatre.</p> <p>Quest exit</p> <p>Summer play and leaving assembly</p>
