FRIDAY FLYER

Newsletter No 19
 1st March 2019

Dear Parent/ Carer,

When you arrive at our Parents' Evenings next week, please come to the school hall a few minutes early to have a look at your child's work. We will also be distributing questionnaires. These are one of the ways in which we gather your views and opinions, and they are very important to us. Please take two minutes to fill one in. We will collate the results and use them to inform our school development planning next year.

Mr R Stead

Reception Class enjoyed Forest School in the wonderful warm weather this week. They made damper bread on the fire, with lashings of strawberry jam and explored the school grounds for signs of Spring.

Lani in Class 4 took part in Dechox this month. This meant she gave up chocolate for the whole of February to raise money for the British Heart Foundation's life saving research. She has collected a total of £101.04 through sponsorship. Well done Lani, fantastic willpower!

This summer's Forest School Fest has a magical theme and our young witches, wizards and warlocks will be needing broomsticks and wands. May we have your prunings, tied in bunches and any metre long straight sticks that you can cut (see photo). Please drop off in the blue barrel by Class 1. Thank you.

Josh Wedderkopp

Diary Dates

Monday 4th March
 Reception Class Parents' Evening

Tuesday 5th March
 Class 2 to 6 Parents' Evening 3.30-6pm

Thursday 7th March
 Class 1 to 6 Parents' Evening. 5-7.30pm.

Monday 18th and Tuesday 19th March
 Pre-School Parents' Evenings
 Sign-up sheets in Pre-school

Easter Holidays
 Monday 8th April to Monday 22nd April.
 Back to school 23rd April.

Year 5 Residential Trip to Kilve Court
 Weds 24th April to Friday 26th April.

FOREST SCHOOL WEDS 6TH MARCH CLASS 6

House Points	Weekly Total	Half Term
London Plane	184	184
Cork Oak	191	191
Blue Cedar	263	263
Horse Chestnut	181	181

OUTSTANDING LEARNERS OF THE WEEK

Pre-school	<i>Ffion</i> for trying really hard in letters and sounds this week.
Class R	<i>Harry J</i> for great effort with his handwriting.
Class 1	<i>Lena</i> for not only always working so hard, but for also being a constant joy around the classroom!
Class 2	<i>Maia</i> for a super week of learning. Maia has worked hard with her writing and also shown a great understanding in Maths this week. Well done Maia, an excellent start to the half term.
Class 3	<i>Yazmin</i> and <i>Ollie</i> for answering so many questions in class, and all of Class 3 for their amazing instructions writing – well done all of you!
Class 4	<i>Sebastian BH</i> and <i>Ashton</i> for their focussed efforts, enthusiasm to share responses and hard work in Maths and English this week. Well done!
Class 5	<i>Georgia</i> for her mathematical thinking and reasoning.
Class 6	<i>Toby</i> for his fantastic suspense writing this week.

On Thursday 28th February 2019, a team from classes 5 and 6 (Albert, Iris, Florence, Zoe and Lucy) went to compete at a netball tournament at Castle School. Our first game was against Bishops Hull. We were beaten 8-0 as they were an excellent team. Our second game we played Norton Fitzwarren and won 6-0. Our last game was against Thurlbear and they were a team that had practised a lot and beat us 4-0. Unfortunately, our points were not counted as we did not take a full team of seven players who could rotate and play, as two of us were injured but still came along to support the team. We couldn't have done this without all the parents and teachers who helped transport, support and train us.
by Georgina, Gracie and Florence.

On Monday 25th February, Mr Penny gave some year 4, 5 and 6 children a chance to compete in Cross Country running at King's College in Taunton with about 20 other schools. Many Milverton School children took part and we had 9 teams of 3 children. We had to run 900 metres! It didn't feel like 900 metres, it felt even longer! If another child from another school was behind you, and you stopped, they would tell you to keep going and we cheered each other on. It was lots of fun.

Seb B-H and Lani, Class 4

SCHOOL HOLIDAY CAMPS 2019

Support Services for Education 

TO BOOK
Download an application form from our website and email it to us, or call us on **01278 741270** or email kilvecourt@somerset.gov.uk

HOW WE CAN HELP YOU
The Marjorie Hickling Bursary Fund is available to meet part of the cost of a camp when parents/guardians have financial constraints.
We are an Ofsted provider and accept payment using the following childcare vouchers – Computer Share, Edenred and Kiddivouchers.

LASER TAG GENIUS

ICT and Physics

8th – 12th April 2019

11 – 14 year olds

This exciting High-tech course will start you on the road to success as an evil genius. It covers all the skills you need to build and program your very own laser tag equipment. You will develop skills in electronics, soldering and programming with Arduino as well as working with Computer Aided Design, CNC machines, laser cutters and much more. Not only does the course cover the practical aspects of electronics and engineering but also introduces digital communications, game theory and design. You will have chance to test your equipment and designs in Kilve Court's extensive grounds.

£340

Target sighted!

FROM PAGE TO STAGE

Drama and Writing

28th – 31st May 2019

8 – 12 year olds

Calling all budding actors, musicians, dancers and singers for this one off totally Immersive Creative Experience... This course does exactly what it says on the tin and much more! We will conceive, create and communicate our own piece of theatre with dance, song and live music, inspired by the theme of 'The Environment', so bring your voice, instruments, costumes and dancing shoes. We will discuss, debate and devise our own drama from 'page to stage' and perform it to your families in four days... no pressure!

£275

Course Director: Michael Loader

PLUNDERING PIRATES

Drama, Writing and Art

5th – 7th August 2019

8 – 10 year olds

From the thrilling swashbuckling Pirates of the Caribbean (Errol Flynn!), the caricatures of cartoon (Captain Pugwash and Hook) to the very real and menacing sea-faring criminals of today (e.g. Somalia) we will explore, chart and discover their lives, laws, legends and legacy (and legs!). If you're up for an adventure on the High Seas (or the lakes of Bridgwater), swinging on ropes and staging a piece of Musical Theatre, this is the course for you! We'll be burying treasure, walking the plank and creating a shipshape theatre set. Come and learn nautical phrases and sayings to enliven the theatre script and find out the difference between a pirate, privateer, buccaneer, corsair and freebooter.

£210

Course Director: Michael Loader

F1 SCIENTIST

Science

5th – 9th August 2019

11 – 14 year olds

Have you ever dreamt of becoming a top-class racing driver or maybe leading a team of engineers developing the latest in racing car technology? Now's your chance! Our monster Scalextric layouts will be coming out to play, but they will incorporate a design challenge as, working in a small group, you will be responsible for designing the aerodynamics that will keep your car on the track and earn your team "pole position" on the starting grid. Not only will you be learning about the electronics and ICT behind our table-top racing, but also the technology behind real racing cars. To consolidate this, you will have the exciting opportunity to try your hand at a local go-karting circuit (height and weight restrictions apply).

£340

Course Director: Adrian Dening

KINGS OF SPACE

Maths, Art and ICT

28th – 31st May 2019

10 – 13 year olds

Speed around the Universe in your very own design of space ship, travelling through our Solar System and visiting planets to seek out new life forms! What will your spacecraft look like, which planet will you choose to visit and will the aliens you meet be green and cute or more like a scary monster? It will bring outer space to within your own grasp, through thought-provoking exercises, fun activities and even some "late nights" looking at the stars through our enormous telescope!

£275

Course Director: Adrian Dening

BUILD A MUSICAL

Musical Theatre

11th – 16th August 2019

10 – 17 year olds

Taking centre stage, bring your voice and all your creative energy to develop a musical from scratch in just six days! Building on acting, singing and dancing skills, along the way you will work as a team immersed in a theatrical experience to pull together and produce a showstopper performance. Can you handle the challenge?

£370

Course Director: Emily Fouracre

OUTDOOR ACTIVITY RESIDENTIAL

8 – 16 Year Olds

Spend your days trying your hand at as many different activities as we can squeeze into your stay. Whether you swing from the highest heights, race around on wheels or develop a new hobby, we aim to create the most memorable holiday of your life. We will be taking you off site one day for fun activities and a visit to the beach for ice-cream. Make new friends, face your fears, set new challenges and broaden your horizons.

Tackling the WALL!!!

OUTDOOR ACTIVITY DAY

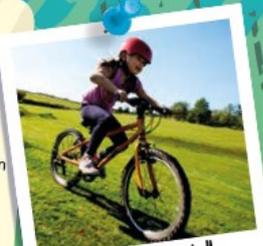

6 – 16 year olds

£35

If you don't want to stay overnight, you can still get involved!

Drop your child off with us to enjoy a jam-packed day of activities on the following dates (includes lunch).

Activities may include: abseiling, archery, beach exploration, high ropes course, team challenge, shelter building and much more.
