Dear Parents and Carers,

Welcome back to the Summer Term! I'm sure it hasn't escaped your notice that we have some work being carried out to make some improvements to our roof. The work will be completed next week and will ensure our school stays weatherproof into the future.

Our school quest this term is "What a Performance!" We will be focussing on the Arts, including singing, acting and performing. We plan to present a performance by Years R—5 on Friday 30th June, whilst Year 6 will perform a different play to their parents on July 13th. What a busy term!

Mr R Stead

Class R found some dinosaur eggs in the sandpit. They had dinosaur bones inside! We emailed the museum and they were very excited, so a lady came in to school to teach us about fossils. She showed us some fossils and some models of dinosaurs. We painted ammonites, we made plesiosaurs and made our own fossils in salt dough. Our favourite thing was making our fossils! *by Jess and Emilia, Year R*

We are the Blue Weasels! We meet every Wednesday from 3.45 to 4.45pm at Kingsmead. A few weeks ago we took part in the Taunton Festival of Arts and won a cup for the best performance in the festival! We have been invited to sing at the gala concert Sunday 4th June as the winning choir. If you would like to join, come along to see if you like it. Please contact lisatustian@icloud.com. Children have to be 7+)
