 Year 6 Play

Friday 13th July
 Whole school trip to Flip Out

Monday 16th July
 Sports Day
 (Parents invited)

Friday 20th July
 Last day of term
 Year 6 Leavers' Assembly

Dear Parents and Carers,
 As you may already know, next week is SATS week for our Year 6 pupils. Please help us by being calm and quiet in the foyer, especially during the mornings. Thank you.
Mr R Stead

Children and adults in Classes R, 1 and 2 had an exciting morning on Tuesday because we had a trip to Taunton Deane Nurseries as part of our 'Green Planet' Quest. When we arrived we were welcomed by Darren Hill who then took us on a tour of the nursery to see 400,000 plants which are grown and nurtured there. These plants are then used all around Taunton and other areas to brighten up the streets, roundabouts and parks. We were given a tour of the nursery and told about how the flowers grow, how they look after the flowers and even how the naughty rabbits keep trying to eat them! (We think we spotted a blue jacket, so suspect it's Peter Rabbit!). The children all planted their own flower and got to explore the many different types, colours and shapes of flowers that can grow. We would like to thank Darren Hill for giving up his time and letting us visit the nursery and the parents who came along to help. We had a great day and are now all budding gardeners.
Mrs Lewis and Mrs Nicholls

Isabel, Class 2, wrote, "On Tuesday we went to Taunton Deane Nurseries. We went on a coach and I sat next to Sophia. When we got there Mr Hill welcomed us very nicely! Next, we went into the poly-tunnels so we could see the beautiful plants. My favourite was the snap dragons. After that, we planted sunflowers so we can nurture them, just like the people that work there. Then we had a delicious snack and a drink. Finally, we got on the coach (I sat next to Philippa) and got back to school just in time for lunch! It was really fun!"

On Thursday Class 2 went to St Michael's Church for the afternoon. Whilst there, Reverend Helene showed us all the important features of a church and spoke about why they are there. We found out lots of facts and would like to thank Reverend Helene for giving up her time and allowing us to visit.
Mrs Nicholls

FOREST SCHOOL NEXT TUESDAY IS CLASS 4

HOUSE POINTS	WEEKLY TOTAL	HALF TERM
LONDON FLAME	119	1633
CORK OAK	221	1949
BLUE CEDAR	162	1564
HORSE CHESTNUT	166	1562

OUTSTANDING LEARNERS OF THE WEEK

CLASS R	Ezra for a great start in Class R!
CLASS 1	Nathaniel for his enthusiasm for our Quest topic this term – and especially for bringing in amazing things for our nature table (including a dried frog and a dead slow worm!).
CLASS 2	Isabel for her great recount of our visit to Taunton Deane Nurseries.
CLASS 3	Freddie for being a truly amazing member of Class 3; always full of enthusiasm and interesting facts. We will miss you!
CLASS 4	Bella, Jonah and Evie for their improved reasoning explanations and excellent presentation in Maths. Well done! Millie for her positivity and enthusiasm in all areas of her learning! Class 4 will miss you.
CLASS 5	Toby for the super effort he is putting in to his learning both at home and at school.
CLASS 6	Noah for working so hard on his Canopic jar.

On Tuesday we split into 3 groups for Forest School. The activities we could chose from were; mud kitchen, pond dipping, varnishing the plank planters, shelter making, the balance beam and cooking marshmallows! Some of us made a very special meal for Mr Wedderkopp which included sausages, pizza, chocolate mousse, spaghetti bolognaise, NOT forgetting banana split; all made from mud. When we went to the pond, some of the boys found some larvae and we found billions of tadpoles! #Tadpole paradise! We even found some Great Pond Snails.

by Toby, Florence and Matthew, Class 5

On Thursday 10 May, Class 5 had a visit from two members of the Premier Sports team. They came to Class 5 to teach us all about being healthy. We had two sessions: food tasting and 'Feed Us for £5'. During the food tasting we had a chance to eat a variety of fruits and vegetables as well as learning about the four key elements to feeling great: eat well, sleep well, drink well and move well. 'Feed Us for £5' was an activity and challenge to plan out three meals and a snack in order to balance the different food types and the recommended amounts to have each day. We had to calculate the costs and the challenge was to keep the bill to under £5. We found out that it is important to have a balanced diet, but also that we can have treats at times. We need to sleep, drink plenty of water and enjoy as much exercise as we can. We all enjoyed it, especially when the blueberries dyed our tongues, lips and fingers purple!

by Isabella and Emelia

Well done to Anya in Class 2 for winning the best hat competition at the Milverton Street Fair last Monday. A rather original design!
