FRIDAY FLYER

Newsletter No 35
 19th July 2019

Dear Parents and Carers,
 Well, another year gone: who can believe it?! Time flies when you're having fun, and we certainly have had some this year, along with a humungous amount of incredible learning. We are grateful to all who sent messages of thanks to the staff: they were put up on the staffroom board and hugely appreciated. And now it's time for a well-earned rest! We wish you all a wonderful, safe and fun-filled summer holiday.
Mr R Stead

The sun shone down on us for yet another wonderful Sports Day. The morning started with children assembled in their house teams full of excitement and anticipation. Activities commenced and everyone gave it their all in a vast range of sporting events ranging from hockey to javelin. House points were collected and as the morning went on excitement built to see who would win this year! Finally, children gathered on the playground for the results. It was a nerve wracking few minutes as we learnt the Cork Oak were this year's winner! It was incredibly close as they were less than 20 points ahead of second place Blue Cedar. Next, children put their energy into the flat races. All the children who ran should feel incredibly proud of their efforts. A big thank you to Mrs McDonagh for organising it all, our Kingsmead work experience students and to all the parents who came along to support.

Class 3 have been learning about the importance of protecting their eyes from the sun this week and have designed sunglasses during DT. Don't they look cool!

On the Wednesday 17th July, classes 4 and 5 went to Forest School, which was amazing! We had so much fun thanks to Mr Wedderkopp. Lots of people had dressed up and brought in cuddly toys, which magically disappeared whilst we played 123 Where Are You. We then had to search the school grounds to find them all – mine was the last to be found! We played all sorts of games including; making wands and practising wand movements with spells, making broomsticks and playing games of Quidditch, creating potions and going on a treasure hunt. We had an amazing morning and we all agreed to award Mr Wedderkopp with the 'helping heart' for making all our Forest Schools so fantastic this year!

This week classes 3 and 4 were visited by Mr Dakowski who showed the children his extensive Stone Age tool collection and gave them very informative talks. The children were fascinated to discover that many of the tools were discovered in or near Milverton. It inspired them to go home and search their gardens to find some more!

Don't forget the Summer Reading Challenge! Children can sign up at their local library, then read six library books of your choice to complete the Challenge. There are exclusive rewards to collect along the way, and it's FREE to take part! The Summer Reading Challenge website helps you keep track of your reading all year round: find new books to read, take part in competitions and mini challenges, and play games.

Thank You!

The MSA would like to say a huge thank you to everyone who has helped out, volunteered, attended events, bought raffle tickets, donated items and supported the MSA in anyway at all! You have helped us raise an amazing £10,177 for this school year. This money will benefit every single child in the school and preschool - THANK YOU!

We're looking forward to doing it all again next year!

The school staff would equally like to thank all the members of the MSA for their hard work and effort in organising great events and raising such an incredible total.
