Dear Parents / Carers

Welcome back to the summer term. We hope that you all had a good break and have not eaten too much chocolate!

This term our whole school quest is 'Once Upon a Time' Attached is a curriculum overview to show you some of the areas that we will be covering throughout the summer term. In literacy this half term we shall be writers but also developing our understanding of grammar and also working on our reading comprehension.

During May the children in Year Two will be taking their SATs. These tests provide information on the progress of your child compared to other children the same age nationally. The tests consist of four papers. Two English Reading papers, one with a short text and questions the other has a longer text with separate questions. Two Maths papers, one with arithmetic questions and the other with reasoning questions. This year there will not be a spelling test or a test on grammar and punctuation. For further information about these tests please look at the following website <https://www.gov.uk/government/publications/key-stage-1-and-2-national-curriculum-tests-information-for-parents>

As you are aware we now swim on a Monday afternoon, if there are any parents who would like to come and help by being in the swimming pool it'd be appreciated. If you are interested in helping and have a DBS with the school, please let us know. PE remains on a Wednesday, however, it is essential for the children to have their kits in school every day. Children should have a t-shirt of their house colour, black shorts and daps / trainers.

Please keep up the fantastic job of hearing your children read and helping them learn their spellings at home. It is really important that children are heard read regularly at home. We will endeavour to change reading books as needed, however, there may be occasions when this is not possible, but we will try our hardest. You will also be aware that there is now weekly maths homework to complete online. This will be set every Monday and needs to be completed by the following Monday. Show and Tell will continue to be on a Wednesday afternoon. Please work with your child to help them prepare a short presentation of approximately 5 minutes. The presentation should ideally be on a theme and link the objects that have been brought in to show.

We're looking forward to working with the children in the exciting term ahead, many thanks for your continued support.

Jane Nicholls and the Year 2 Staff Team

**Milverton School is committed to safeguarding and promoting the welfare of our pupils and expects all staff and parents to share this commitment**

Headteacher: Richard Stead BSc (Hons) QTS NPQH

Key Stage One Coordinator: Jane Nicholls BA (Hons) PGCE

Assistant Headteacher: Peter Coupe BSc (Hons) QTS
